

## Lash and Brow

**Lash Lift** - Lash Bomb Lash Lift is an innovative method to give the illusion natural lashes are longer and have more volume, using formulations and products made in the UK. The eyes are the focal point of any face and this treatment enhances the natural eyelashes giving them an amazing lift and tint. Results last for 4 – 6 weeks. Take a look at our Gallery for stunning before and after shots of this treatment.

**£48.00**

**Lash Tint**

**£21.00**

**Brow Tint**

**£17.00**

**£35.00**

**Brow Shape/Tidy and Tint Bundle**

**£29.00**

*Patch Test will be required 24 hours before treatment for all the above*

**Brow Lamination** – Eyebrow lamination is a treatment that involves straightening and realigning the brow hairs to create volume and thickness. Whether you want to tame your brows into a sleeker shape or create the “fluffy” look, brow lamination can be made completely bespoke to you. The treatment includes a tint and wax/tidy of the brows. *A patch test is required at least 48 hours before treatment.*
